

## Volunteer Opportunity for Newcomers to Canada!

CultureLink–Luminato Mentorship Circle participants

In partnership with CultureLink, a settlement & community services agency in Toronto, Luminato offers volunteer opportunities to newcomers to Canada who are interested in engaging with one of the world's leading multi-disciplinary arts festivals.

Volunteering is a great way to gain Canadian experience, practice English, learn new skills, explore the city of Toronto, and network in a welcoming, safe and collaborative environment. Activities will be offered in a group setting with the guidance of mentors.
