CultureLink is a settlement and community organization with 35 years' experience in developing and delivering services to meet the needs of diverse communities. **CultureLink works within an anti-oppression framework and is committed to equity. This is a bargaining unit position.**

Job Summary:

The Program Worker implements the Settlement Workers in Schools (SWIS). SWIS provides needs assessment, referrals, follow-up support to clients, and group sessions to newcomer families and youth. Goals are to assist clients in understanding the Canadian education system, and to access important settlement resources to help clients make informed settlement decisions. SSP provides one-on-one assistance and information and orientations related to settlement and a variety of youth orientation sessions. The Program Worker plans, carries out and reports on program activities, with a particular focus on the needs of recently arrived Ukrainian refugees.

In-person work at one or more schools will be required, depending on public health conditions. The Program Worker must also be proficient with technology and online tools (for example Zoom, Google Meets), and able to support clients to participate in virtual programs using technology and online tools.

Maintaining positive relationships with school administration, teachers, support staff and CultureLink colleagues is essential to program success. All agency staff are also expected to support each other and to collaborate on agency-wide initiatives.

Duties

- Plan workshops, programs & information sessions with clients, families, children, and youth to ensure that groups are sensitized on various settlement topics and issues
- Coordinate with external stakeholders, schools, & centers to partner in initiatives & activities facilitating the settlement process of families
- Prepare promotional material and publicize events through flyers and social media for programs to have full visibility and targeting large audience
- Complete registration of clients and verify their data and particular to uphold data integrity and validation
- Provide needs assessment and appropriate referrals during client intake process and provide tailored, incremental settlement plans to advance newcomer settlement goals. Refer clients to other social services or
